

1st Annual

PBR Winter Forum

(formerly known as the BioRetreat)

Thurs, February 18, 2010

THURSDAY at the Jackson Conference Center, Huntsville, AL 35806

2:30: Vendor Show

4:00: Student Poster Session

5:00 Networking. Hors d'oeuvres, wine & beer.

6:30 Keynote Speaker Session

Dr. Erik Puffenberger

Clinic for Special Children, Strasburg, PA

Erik will speak about his work at the Clinic for Special Children. Under his direction, the Clinic laboratory has strived to utilize the explosion of molecular genetic information to improve the care for young patients with a variety of rare metabolic and genetic disorders.

Students are encouraged to submit abstracts of their work to abstracts@alpbr.org

With sincere thanks to our PBR Event Sponsors
